## **Carpathia Hosting's Statement on Recent News Reports**

**Dulles, Va. – January 30, 2012** - In reference to the letter filed by the U.S. Department of Justice with the Eastern District of Virginia on Jan. 27, 2012, Carpathia Hosting does not have, and has never had, access to the content on MegaUpload servers and has no mechanism for returning any content residing on such servers to MegaUpload's customers. The reference to the Feb. 2, 2012 date in the Department of Justice letter for the deletion of content is not based on any information provided by Carpathia to the U.S. Government. We would recommend that anyone who believes that they have content on MegaUpload servers contact MegaUpload. Please do not contact Carpathia Hosting.
